

REGISTRATION DETAILS

WS 3 - Pre Conference Workshop 3	Date : 30 th October, 2009
The Tripodal Foundation for Success in Crown and Bridge	Venue : OPA Auditorium
Course Director: Dr. Shankar Iyer	Time : 9.00 a.m. - 4.00 p.m.

In this modern era of Implant Dentistry, is there a place for Tooth-supported Fixed Partial Dentures? This course will elaborate the rationale and indications of fixed partial dentures and when this option will be more predictable over implant therapy.

Course Objectives

- After attending this course, the participants will be able to:
- Diagnose and plan cases for fixed partial dentures
 - Utilize the appropriate armamentarium for preparing natural teeth
 - Distinguish the various finish lines and plan preparations sequentially
 - Choose the correct restorations for various clinical situations
 - Familiarize the various options for provisional restorations
 - Make predictable impressions by choosing the ideal materials and techniques
 - Verify the fit, contours and contacts of restorations
 - Plan and execute the ideal occlusal schemes for restorations

Requirements

- The participants will have to bring the following materials for the hands on portion:
1. handpiece
 2. diamonds (flat end tapered diamond)(847.016 or 018) – medium or coarse grit, flame shaped diamond and football diamond
 3. carbides – 556 or 557
 4. Acrylic trimming burs
 5. articulating papers (8 micron thick)
 6. polishing wheel

REGISTRATION	X	Member Before 30 th Sep. 2009	X	Non - Member Before 30 th Sep. 2009	X	Member After 30 th Sep. 2009	X	Non - Member After 30 th Sep. 2009
		Rs 3,000/-		Rs 3,500/-		Rs 4,000/-		Rs 4,500/-

WS 4 - Post Conference Workshop 1	Date : 02 nd November, 2009
Endodontics	Venue : OPA Auditorium
Dr Vivek Hedge - India	Time : 9.00 a.m. - 4.00 p.m.

Are you spending too much time with those molar root canals and still having doubts about its success? Are you finding it difficult to locate those 'elusive' canal orifices and negotiating those 'calcified' canals? Are you able to obturate those canals confidently and predictably?

- Outline Of Access
- Fundamentals Of Cleaning & Shaping(normal Taper To Greater Taper)
- Obturation Simplified
- Overview Of One Visit Endodontics
- Current Concepts On Post & Cores
- An Insight Of Recent Advances In Endodontics.

The lecture/hands-on workshop will provide participants with intensive hands-on experience on canal preparation. This Hand on Workshop would cover the following highlights

- Accurate Diagnosis
- Ideal Treatment Planning With Strong Emphasis On

A Demonstration & hands on will follow to enhance the knowledge & clinical skills of the participants.

REGISTRATION DETAILS

Register with any three (03) of the following workshops and qualify for

FREE Conference Registration.

WS 1 - Pre Conference Workshop 1 Aesthetics with All-ceramic Restorations <i>Prof D Y D Samarawickarama - UK</i>		Date : 04 th October, 2009 Venue : OPA Auditorium Time : 9.00 a.m. - 4.00 p.m.						
Correct assessment is essential to aesthetic dentistry. This workshop would help you to learn how to visualise what you want to create and will look at how to assess the case.								
Participants will assess and plan some typical smile makeover cases, then execute their treatment plan by completing their planned preparations on models using the methods demonstrated. Technique of fabrication of the veneers, including staining and characterization of the porcelain, techniques of cementation using adhesives and finishing of the cosmetic procedures will be demonstrated. You will also be able to compare the different techniques for accurate impression-taking and also can practice the important technique of temporization using the method demonstrated.								
Finally, how to choose the right ceramic for the restorations will be outlined before discussing how to fit and finish the case.								
REGISTRATION	X	Member Before 30 th Sep. 2009	X	Non - Member Before 30 th Sep. 2009	X	Member After 30 th Sep. 2009	X	Non - Member After 30 th Sep. 2009
		Rs 3,000/-		Rs 3,500/-		Rs 4,000/-		Rs 4,500/-

WS 2 - Pre Conference Workshop 2 Implant Course <i>Dr Rohana Kumara De Silva - New Zealand</i>		Date : 16 th & 17 th October, 2009 Venue : OPA Auditorium Time : 9.00 a.m. - 4.00 p.m.						
Patients presenting to General Dental Practice may attend with numerous restorative problems. The lecture will outline a step by step guide to information gathering, diagnosis and a discussion of various options for treating restorative problems in a logical and practical manner.								
The course will cover basic understanding of Bone biology, common situations for implant placement in single tooth situation, short span edentulous areas, mandibular edentulous areas and implant aesthetics with prosthetic options.								
The presentation will focus on the increasing use of dental implants as a restorative solution with hands on experience in placing implants on models.								
REGISTRATION	X	Member Before 15 th Sep. 2009	X	Non - Member Before 15 th Sep. 2009	X	Member After 15 th Sep. 2009	X	Non - Member After 15 th Sep. 2009
Lectures only (16 th October, 2009)		Rs 3,000/-		Rs 3,500/-		Rs 4,000/-		Rs 4,500/-
Lectures with hands - on practicals		Rs 9,000/-		Rs 10,000/-		Rs 11,000/-		Rs 12,000/-
